Career Objective

To begin my professional career in a reputed organization where I can apply my technical knowledge, strengthen my problem-solving abilities, and gain hands-on experience in software development. As a B.Sc. Computer Science graduate with knowledge of Python, SQL, HTML, CSS, JavaScript, and React, I am eager to learn new technologies, contribute to meaningful projects, and grow into a skilled software professional while adding value to the organization..

Internship

Python Full Stack Development Intern, Elysian Intelligence Business Solution Pvt. Ltd. 01 Sep 2025 – 23 Sep 2025

- Completed a Python Full Stack Development internship with hands-on training.
- Worked with HTML, CSS, JavaScript, Python, SQL, and React.
- Developed responsive web pages and practiced database integration.
- Improved problem-solving, teamwork, and professional communication skills.

Technical Skills

Languages: Python, JavaScript, SQL

Frontend: HTML5, CSS3, React.js, Tailwind CSS

Database: MySQL

Tools: Git, GitHub, VS Code

Projects

College Management System

Ongoing

Technologies Used: HTML5, CSS3, JavaScript, React.js, Python (Learning), MySQL (Learning)

- Designed and developed a responsive **College Management System** using HTML5, CSS3, JavaScript, and React.js.
- Created modules for **Home, About, Courses, Admissions, Faculty, Contact, and Login** with a clean and user-friendly interface.
- Implemented responsive layouts to provide a seamless experience across **desktop and mobile devices**.
- Applied React components and modern frontend practices to build a structured and maintainable user interface.
- Currently integrating **Python backend and MySQL database** to support dynamic data management.

Certification & Training

Python Full Stack Developer

June 2026 – Present

Besant Technologies, Velachery, Chennai

- Currently pursuing hands-on training in **Python, HTML, CSS, JavaScript, React, MySQL, and Flask**.
- Developing full-stack web applications using **frontend, backend, and database technologies**.
